Hazardous Weather

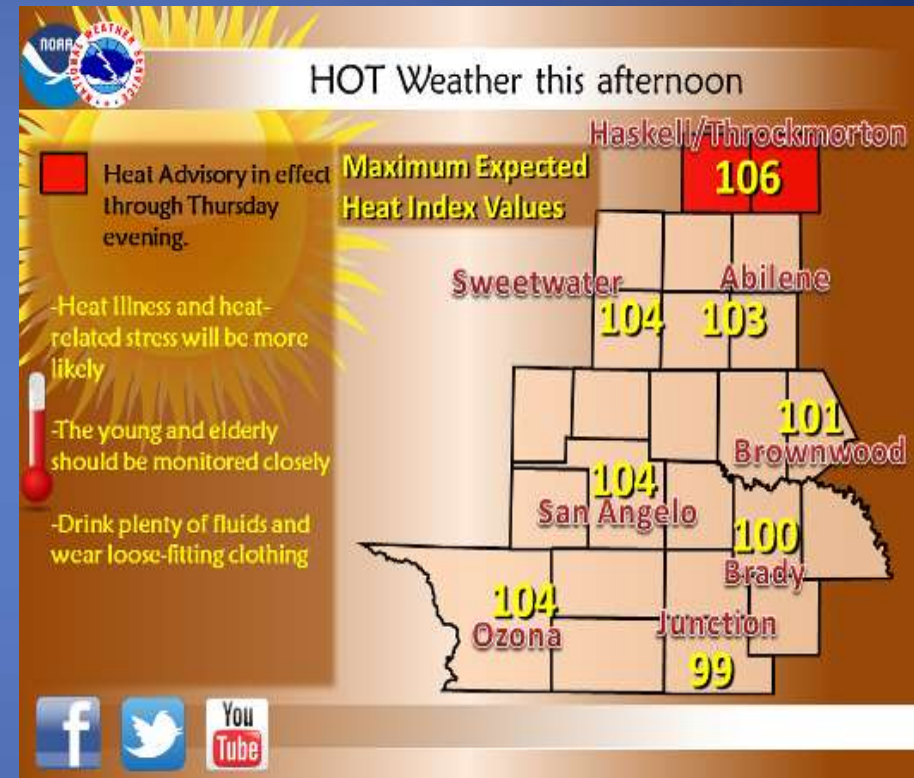

Day 4-5 Weather Hazards
Valid: 0800 Mon - 0800 Wed

Hazardous Weather

It's going to be a hot one today. A Heat Advisory will be in effect from 1 PM to 9 PM CDT for parts of the area. Be sure to take plenty of precautions if you have to spend any time outdoors. Take breaks, drink plenty of water and know the signs of heat exhaustion and heat stroke.

A period of hot temperatures is expected through Friday evening. The combination of hot temperatures and high humidity will combine to create a situation in which heat illnesses are possible. People who work outdoors should take extra precautions to avoid heat stress or heat illness. In addition...the young... Elderly...and anyone with pre existing health conditions should be monitored for signs of heat stress or heat illness

Hazardous Weather

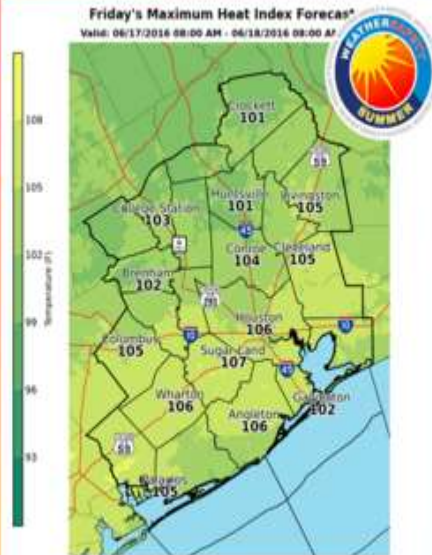

National Weather Service Houston/Galveston TX

Prepare for the Heat

- Please check the backseat of your vehicle for kids/pets!
- Drink plenty of water before going outside and stay hydrated while outdoors. Take breaks from activities.
- Know the symptoms of heat exhaustion and heat stroke. Get immediate help if you or a friend display any symptoms.
